

Friends of the Caledonia Public Library

May 31, 2017

1) Checking Account-It was decided that we will pursue getting our own tax ID number and setting up a 501c3. After some research it was felt that the SELCO option would not meet our needs. SELCO offers an investment account and we can withdraw funds twice a year. We would then need to have someplace to put that money to pay our expenses as they came due. Goal is to have the 501c3 set up by the first of the year. Rachel Von Arx, treasurer, is looking into this. If anyone has experience and would be willing to help her with this-please let us know. Thank you

2) Bookmarks-Kim Scheiber has designed 3 different bookmarks. It was decided to have all 3 made as each one appeals to people in a different way. Kim will fine tune the wording and work with Printy Quik to print them. She will also see about having a poster made to hang in the library using one of the designs.

3) Meal in the Park-it was decided to serve hot beef sandwiches, chips, and homemade bars, water and lemonade. Duties were divided among members present at the meeting. It was decided that the cost of the meal will be "free Will offering". We will be setting up at the city park-by the gazebo-at about 4:00, we begin serving the meal at 5:00. Please join us and bring a friend to enjoy the music!

Other- we are looking into having an ice cream social at the library later this summer. Karen Kruse will look into different options for this.
